Our 2018 Football Season was dedicated to our brother, Bradley House, our #12.

Because of the drive and heart Bradley gave every time he was on the field, we have decided to carry this tradition over by honoring a senior who goes above and beyond on and off the field.

This year's #12 is Jake Rodgers!

In Memory of Richard May

October 28, 1948 - May 17, 1969

Richard May was a graduate of West Lauderdale in 1966 and was loved by all who knew him.

Fun loving, athletic, the typical All-American boy, his death left a void in everyone's heart. Richard gave the best he had for his high school in three sports and for his country in combat in Vietnam.

In basketball, football, and baseball, young Richard helped spark the Knights to championships and in Vietnam he gave his life for his country in a bloodbath called "Hamburger Hill". Richard May will always be loved and remembered for his bravery...
